NOTICE

THIS ROSTER BOOK IS PUBLISHED FOR THE EXCLUSIVE USE OF THE MEMBERSHIP OF THE MAUH-NAH-TEE-SEE CLUB. IT IS NOT TO BE GIVEN OUT TO ANYONE WHO IS NOT A MEMBER OF THE MAUH-NAH-TEE-SEE CLUB. IT IS ALSO NOT TO BE USED FOR ANY SOLICITATION!

CLUB RULES

The Mauh-Nah-Tee-See Board of Directors and Committees have prepared these club rules for the club members and their families.

- It is the obligation of each member to familiarize themselves, their family and their guests with the rules and to comply with all of the provisions so as to help preserve the character of the club.
- From time to time, new or revised rules may be published in the monthly newsletter and will take effect immediately.
- If you see a violation of any of the club rules, please report it to the General Manager, Golf Professional or direct a letter to the Board of Directors. DO NOT CONFRONT ANOTHER MEMBER OR GUEST with the violation. That is uncomfortable and embarrassing for all concerned. Management will discreetly inform the member of the member or guest's violation and request that it be remedied if that is possible. If no immediate remedy is possible, the Manager may refrain from approaching the member and instead a letter will be sent to the member informing him or her of the infraction and asking that it not be repeated.
- The Board of Directors assign the daily responsibility for the enforcement of the club rules to the General Manager or his/her delegate, the Golf Professional or his delegate and the Green Superintendent. It is anticipated that members will follow the direction and decision of these representatives of the Board.

ENFORCEMENT OF THE CLUB RULES

- The General Manager, members of committees, and club employees shall be responsible for reporting violations of any club rules to the Board of Directors. The General Manager and/or manager on duty may enforce the club rules at the time of an obvious violation. All members are encouraged to report, in writing, violations of the rules to the Board of Directors.
- Upon report of an alleged violation, the Board of Directors shall direct a letter to the member setting forth the time and nature of the alleged violation and the number of past violations by the member within the past twelve (12) months.
- Upon receiving notification of an alleged violation of the rules, a member may within seven (7) days following the receipt of such notification, request and shall be granted an appearance before the Board of Directors before sanctions may be imposed. A second violation within twelve (12) months shall be cause for a member's privileges to be suspended for thirty (30) days. Additional violations within twelve (12) months of the first violation shall be dealt with on a case-by-case basis by the Board of Directors. Under all circumstances a member may request an audience before the Board of Directors.

ALCOHOLIC BEVERAGE SERVICE POLICY

In order to limit the exposure to liability and to protect members and guests, the Board of Directors has adopted the following policy:

- Food or beverage personnel shall not serve beverages to members or guests whom in his/her opinion are intoxicated.
- The Board of Directors shall support the decisions of the club's service staff who has asked a member or guest not to consume any more alcohol.
- Persons under the age of 21 are not allowed to sit, eat, or drink at the bar. The bartenders are instructed to enforce this rule.
- Persons under legal drinking age will not be served, nor be allowed to consume alcoholic beverages under any conditions on club property. This rule is in compliance with the laws of the State of Illinois and shall be strictly observed.

Please remember that these guidelines are for the benefit of all members and guests. Reasonable and consistent enforcement of this policy will ensure that all members and guests enjoy their experience at the club.

CLUB CHARGES

A delinquency fee of 2% of the unpaid balance will be assessed to accounts that become 30 days past due. The 2% will be assessed each month until the account is current.

Failure to comply with financial obligations will lead to suspension and eventual expulsion from the club. These policies are outlined in the bylaws.

MEMBERSHIP

CENTENARIAN DISTINCTION

The Centenarian distinction is offered as a benefit to those who have been long time loyal members. It is not a membership category but a distinction which has benefits within both golf and social memberships.

Qualification: Any member, or member's spouse, who is or has been a Subscribing member and whose age plus years of continuous membership equal at least 100. In the event that the member passes away, the spouse becomes the "member" if he/she chooses to continue the membership. The Centenarian distinction shall apply to the spouse as well; the golfing benefits may be shared not doubled.

On the date the respective member becomes a Centenarian the following will occur:

1. Their dues, food minimum & cart lease fee will be frozen at the rate of that date and remain as long as they are a member.
2. No pool guest fees, green fees or cart fees will be charged to their grandchildren/great grandchildren (unmarried grandchildren/great grandchildren under 21 years of age who is still living at home, any unmarried full time student residing in the same household under 25 years of age) when they are golfing or at the pool with the member. The Centenarian member MUST be in attendance.
3. They will be invited to and recognized at the annual complimentary "Centenarian Party" which is held the first Thursday of October each year.
4. Will have the Centenarian Tag attached to their club locker.

Additional Benefits for Subscribing and Social Centenarians:

Full Subscribing Member Centenarian:

- Six Guest Green Fee privileges (shared/not doubled) each year. There shall be no charge for these passes.

Social Centenarian:

- Will be allowed to golf at MNTS (4) times per month, paying ½ the normal greens fees.
- Will be allowed to entertain guests on the golf course (at the regular or family greens fee rate). Normal cart fees shall apply.
- Will have the same tee time restrictions as our current Guest Golf Course policy (to be reviewed annually).
- Will be allowed to retain a locker with a Centenarian tag attached.
- Will not have their Golf Handicap maintained by the club.
- Have pool privileges
- Have no mandatory bag storage. However, clubs kept at MNTS must be stored in the bag storage room and the normal bag storage fee will apply.

HERITAGE MEMBER

The Heritage member is the oldest Centenarian at the club. The Heritage member is no longer required to pay monthly dues. This distinction does not, however, does not pass on to the spouse.

SIGNIFICANT OTHER POLICY

A single, non-married Full Subscribing, Junior, Social, or Corporate member of The Mauh-Nah-Tee-See Club, in good standing, who is paying full dues for his or her respective membership classification, may apply to the Board of Directors, in writing, to designate a Significant Other who is unmarried, and unrelated. The significant other may incur charges on the credit and account of the member and participate in all Club events (included events are at the discretion of the MNTS Board of Directors and are subject to change at any time). Application for designation of a Significant Other must be submitted by the member to the Membership Committee for review, and then to the Board of Directors for approval. The Board of Directors may approve or deny an application for designation of a Significant Other in its sole and exclusive discretion.

Designation of a Significant Other may be reviewed by the Membership Committee at any time in the sole and exclusive discretion of the Board of Directors. The Board of Directors may revoke a designation of a Significant Other at any time in its sole and exclusive discretion.

A designated Significant Other may not have been a member of any class within the past year. A Significant Other may not drop or downgrade his/her membership and become a Significant Other during the ensuing year. A designated Significant Other must conduct himself or herself in a manner consistent with the policies of the Club at all times and will be awarded the same privileges as the member. The MNTS member must be in good standing and agrees to be responsible for the designated Significant Other.

A member may revoke the designation of his or her Significant Other upon written notice to the Board. Such revocation shall be effective upon written receipt of written notice by the Board. A member shall not apply to the Board of Directors for designation of more than one Significant Other during any 12 month period.

MEDICAL LEAVE

The purpose of this Resolution is to define the terms and conditions of the "Medical Leave" category. If a golfing member is experiencing, or is anticipating a physical condition that does not allow that member to play golf, a Medical Leave can be requested. A Medical Leave must be approved by the Board of Directors.

Subscribing dues will remain in place during the non-golfing season. During the golfing season, Subscribing dues will be dropped and the member will have the choice to pay either Club or Club With dues. The golfing season will be considered to run from April through September. Therefore, Subscribing dues will be paid for six months and Social dues will be paid for six months.

A Subscribing member on Medical Leave will remain in the golfing headcount and have the right to vote at the annual meeting. There is no set period of time for the Medical Leave to be in effect. At such time when the Medical Leave member is well enough to return to golfing, full Subscribing dues will be applied. Other fees such as Cart Rental and Bag Storage shall be determined as a percentage for all months of the remaining golf season.

MEMBERSHIP TERMS

All Mauh-Nah-Tee-See memberships are based on a calendar year (January – December). All membership changes (resignation, downgrade, etc.) must be made in writing and submitted to the Board of Directors **no later than November 30th of any given year**.
